By signing this bidder registration form, I represent and warrant that I am authorized to bid and am ready, willing and financially able to consummate each sale at the price bid. I acknowledge that this representation is material to the Tax Commissioner's willingness to issue me a bidder number and to accept bids from me during the tax sale. I understand that only approved and registered bidders will be able to bid on parcels. I further understand and agree that if I am a successful bidder, the total amount bid must be paid to the Brooks County Tax Commissioner immediately following the tax sale. Failure to do so will result in me being personally liable to the Brooks County Tax Commissioner for the amount bid and, at the option of the Tax Commissioner, I understand that I may be sued to recover the amount bid, plus attorney's fees incurred by the Tax Commissioner, or the property may be immediately sold again due to non-payment. I hereby release the Tax Commissioner from any and all claims.
